Non-scoring athletes from the participating clubs will be permitted in all events on the track, to run with the scoring races or after the scoring races

Track events: Women's event will always precede the Men's event (except the 1500m where the Men will run first). Where it is sensible to do so, the Men's and Women's 3000m/5000m can be combined. A & B must compete together at 1500m and above in all track events.

In the field events, clubs are restricted to one non-scoring athlete per club per event. Non-scoring places not used by one club can be used by another participating club by prior arrangement between team managers. (Additional non-scoring field-event athletes may be allowed at the discretion of the Field Referee).

Warm-ups: Throws, Horizontal Jumps: 15 minutes before start; Vertical Jumps: 30 minutes before start.

Field events, except HJ & PV: the first four scoring athletes, after three attempts, will have a further three attempts. Pole Vault: Pool A: First Height is the higher of the minimum requested and lowest height possible. Second Height is 1.70m (Rounds 1 and 3) and 1.75m (Rounds 2 and 4). Pool B: First Height is the higher of the minimum requested and 2.00m. Second Height is 2.50m. Athletes can only compete in one Pool.

The host club must provide chiefs and referees, starters/marksmen, announcers, officials, refreshments and recorder(s).

Field Team 6 must report to the Field Referee at 11am to be assigned their duties.
